# Brazing Fundamentals

Lucas-Milhaupt, Inc., a Handy & Harman Company, is one of North America's oldest and largest suppliers of brazing and soldering filler metals. Handy & Harman developed and patented many of the filler metals used by industry today. For thousands of companies around the world, we supply the brazing and soldering consumables that produce billions of successful joints every year.

**Course Topics:**

- Brazing terminology and definitions
- The Six Fundamentals of Brazing
- Base Metals
- Choosing the Appropriate Filler Metal and Flux
- Torch Safety
- Torch Brazing Demonstration and Training
