

## You are invited to Resideo's new webinar series

Resideo is offering online learning opportunities for you and your business. You can stay home and still help your business grow by learning about our latest products and solutions – especially for indoor air quality (IAQ).

We are hosting one-hour webinars, including time at the end for a Q&A. The webinars will be led by our sales and product management teams. Contractors attending the live webinars are eligible for 1 NATE credit. Follow the links below to register for upcoming webinars.

## Your IAQ questions answered

The global Coronavirus (COVID-19) health emergency is changing the context in which we are doing business. We know this situation is unprecedented, and you may face uncertainties within your own businesses.

We're here to help make you as successful as possible. Many of you have been asking about the effectiveness of indoor air quality (IAQ) solutions on this virus. Following is accurate information about the virus and our solutions so you can make responsible and truthful recommendations to homeowners who are reaching out and asking for solutions.
