Most businesses that fail, fail because the owner does not fully understand the “business-side” of the business. The Gustave A. Larson Company has teamed with Grandy & Associates to help by providing the **Profit University Audio Series** and **Monthly Live Business Webinars** to its customers beginning November, 2017. Contractors across the country are paying \$24.95 per month (about \$300/year) for access just for the **Profit University Audio Series**. However, as a Gustave A. The presentation can be listened to on line or downloaded to your personal computer. Once downloaded, you can listen, make your own CD and/or load it onto your MP3 Player or iPod or even listen on your smart phone. **Best of all, you will have full access to all 270+ past presentations.** All past presentations are broken down into the following 18 categories.
