

TechConnect is a value-added service from the Gustave A. Larson Company. Save time and money in the field by having instant access to technical information, as well as our on-staff expert Service Advisor team.

The Problem

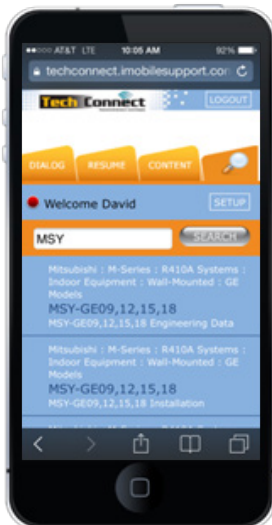

- On-site time is wasted searching for missing information
- Seeking support is often a game of phone tag
- Productivity, technician morale and customer satisfaction all suffer

The Solution

- TechConnect offers Technical Content from the Service Technician's Smart Phone or Tablet
 - OEM Manuals & Hot Pages
- Live Connect Feature
 - Connect to GA Larson Service Advisors, Field Sales Managers, or your Service Manager

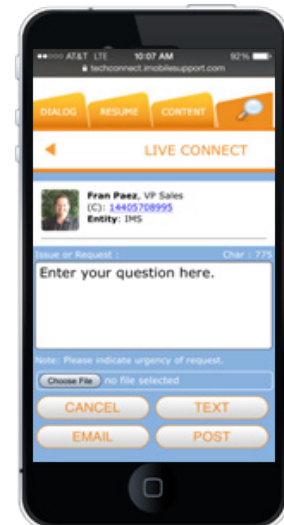

How Does it Work?

Search (Model #, Brand, Model Name)

View (Wiring schematics, Hot Pages, etc.)

Connect (GA Larson Service Advisor Team)
